OUR MISSION

To provide a Christian learning experience dedicated to academic excellence and extracurricular activities maturing God's children

The Lutheran School of Lexington is a family, a living branch of Christ's Holy Church, gathering around Him in Word and Sacrament to bring salvation to the world, reflecting His light and love to those around us until He returns in glory to call us to our heavenly home.

We believe that providing quality Christian education and financial viability coupled with an outreach that is Christ-centered and people-focused are key values that will make this ministry a blessing.

GOD IS WITH US

Our Philosophy: God has made us His children and heirs through the life, death and resurrection of Jesus Christ. We are now free to live new lives in Christ. We believe that God's word, the Bible, is the guideline for sharing what new life in Christ means to those we serve.

QUALITY EDUCATION IN THE LUTHERAN CHRISTIAN TRADITION

The Lutheran School of Lexington is dedicated to creating a loving Christian environment for the proper growth and development of every child. Our educational philosophy embraces academic, spiritual, social and physical advancement of each individual. The Lutheran School of Lexington's program of academic excellence and intellectual freedom in a distinctively Christian setting encourages your child to thrive and mature.

Train a child in the way he should go, and when he is old he will not turn from it.

Proverbs 22:6

The Lutheran School of Lexington provides a quality Christian education to children 2 years of age through kindergarten. Future expansion of the school will offer classes through the eighth grade.

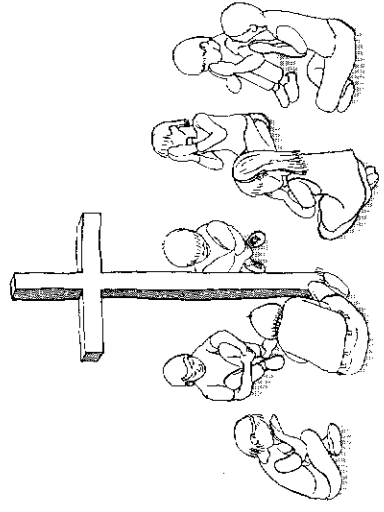

The Lutheran School of Lexington maintains small class sizes to ensure that each child receives individual attention from a caring faculty trained and certified in education. Your child's self-esteem and well being are our concern. The school and church staff are here to serve you, your child and your family.

PRESCHOOL AND TRANSITIONAL KINDERGARTEN PROGRAMS

We provide preschool programs for the ages of 2, 3, 4 and 5. These programs are designed to promote learning and self-discovery in a positive, secure and loving environment. Early readiness skills are introduced with a hands-on approach. The curriculum is enriched with music, computer and physical fitness activities. Daily in class religion instruction is supplemented with a weekly chapel gathering.

KINDERGARTEN

A full time program to develop early readiness skills with a strong emphasis on literature, phonics and language development. An understanding of beginning math is gained through hands-on instruction and activities.

LUTHERAN SCHOOL *of* LEXINGTON

Greetings,

The Lutheran School of Lexington is committed to providing excellence in education, with a Christ-centered program to serve your child's educational and spiritual, emotional, and physical needs. Our staff is here to serve those needs in a loving and caring environment that will help your child to grow into a well-balanced individual.

Our school offers educational programs for two year olds through Kindergarten. We provide each child with a small class size; excellent student- teacher ratios and individual attention from our teachers. We strive to educate the young learner with a fun and challenging academic curriculum to help prepare them for their future educational needs. Students will be exposed to a variety of curriculum activities and learning areas, small and large group activities and time for individual one on one instruction and reflection.

Our goal is to prepare each young student with the tools to become interested in knowing more about their world, to know learning is fun and to prepare them for their road to future years in school. Along the way, we share in the fun of learning, keeping the children challenged and help them understand that we are each a blessing from God.

We, at the Lutheran School, are an educational team (parents and school), that God has joined to nurture your child's development. If you are interested in learning more about our school programs and curriculums please contact us to schedule a tour of our school. We are currently enrolling for the 2009-2010 school year. We would enjoy sharing with you our school programs and how we are committed to providing the best early learning environment for your child.

In His Service,

Kimberly Hurley
